

Remarks

In response to Notice of Drawing Inconsistency with Specification dated October 14, 2005, in which the drawings filed October 22, 2003, are received but a description of Figure 13 of the drawings is not found in the Brief Description of the Drawings in the Specification, Applicant amends the Brief Description of the Drawings to include a description of FIGURE 13. Figure 13 is a similar plan view as FIGURE 12 and uses the same reference numbers, but shows a different context for purposes of additional illustration. Applicant respectfully requests entry of the Amendment to the Specification and issuance of the allowed claims.

If any clarifications can be made by way of telephonic interview, the Examiner is invited to contact the Undersigned.

Respectfully submitted,

Devnani et al.
